# \$564,426 raised!

Thanks to your support and that of other corporate and community partners, the 2019 Bridge to S.U.C.C.E.S.S. Gala raised an impressive \$564,426 on March 16.

More than 750 guests gathered to support S.U.C.C.E.S.S. programs and services that receive partial or no government funding. This year, the gala focused on raising funds for services that benefit children and youth in the community.

Vancouver-born-and-raised singer and actor Joyce Cheng specially flew from Hong Kong to join the event as its feature performer. Joyce's return to Vancouver was particularly meaningful as she paid tribute to the legacy left by her mother, the late Lydia Shum, who was a much beloved Hong Kong entertainer and longtime supporter of S.U.C.C.E.S.S.

Thank you for making the 2019 Bridge to S.U.C.C.E.S.S. Gala a night to remember! You are making a remarkable difference in the lives of the 61,000 clients who rely on us each year.

 Saturday, March 16, 2019

For the past 40 years, the annual Bridge to S.U.C.C.E.S.S. The 2019 Bridge to S.U.C.C.E.S.S. Gala aims to raise \$400,000 in support of essential S.U.C.C.E.S.S. programs and services with a focus on early childhood development and youth leadership programs in particular this year.

## IMPACT OF YOUR SUPPORT

Below: Yuki Tao (second from left) with Gordon and Braydon, and S.U.C.C.E.S.S. staff member Ada Sin at the 2019 Bridge to S.U.C.C.E.S.S. Gala

### **Mother finds much-needed support and connections through the S.U.C.C.E.S.S. Multicultural Early Childhood Development Program**

Yuki Tao and her twin boys Gordon and Braydon Zhou came to Canada from China in March 2018. When they first arrived, Yuki felt very lost and helpless. With language as a barrier, it was difficult for the family to get settled and integrate into the community.

At an acquaintance's suggestion, Yuki went to S.U.C.C.E.S.S.'s office in Coquitlam, where she lives, for support. It was there that she learned about the S.U.C.C.E.S.S. Multicultural Early Childhood Development (MECD) Program, which Yuki says changed her and her boys' lives.

MECD is designed to help new immigrant parents and their children living in the Tri-Cities. Parents bond with their children by engaging in activities like song and play, and make friends with other families in the community. The program also arranges visits from health-care professionals to ensure the healthy development of children.

"I didn't know about the importance of oral hygiene for young children until my boys were seen by a dental hygienist through MECD," says Yuki. "The MECD has helped us with so much. I really don't know how we could have met so many friends and familiarize ourselves with the community if it wasn't for MECD."

Your sponsorship of the 2019 Bridge to S.U.C.C.E.S.S. Gala enables MECD to continue to be there for families and meet growing demands from the community. Thank you for caring for families like Yuki's and helping them to receive the support they need.
